GAYSORN URBAN RESORT, BANGKOK, THAILAND
6.30 PM - 9.30 PM ONLY

Thank you to our sponsors for supporting the Networking Receptions and to all guests for your wonderful presence.

Bicsi SOUTHEAST ASIA

Highlights of Our Successful Event:

1) High-Level Support & Recognition
Honoured to have the support of the – DEPA (Digital Ecosystem Promotion Agency) – and the panelists from ADB, Bangkok Bank, Kasikorn Bank, NIA, NECTEC and Accenture who shared insights that aligned perfectly with the event's theme.

2) Time Management - Well-Organized & Seamlessly Executed
Every detail ran like clockwork — from registration to closing. All speakers showed up on time, and sessions followed the agenda punctually, reflecting the team's dedication and planning.

3) Strong Attendance & Engagement
We saw an excellent turnout of delegates, with lively participation throughout — a clear sign of the industry's interest and trust in the event's value.

4) Positive Feedback
- Exhibitors expressed satisfaction with the crowd quality, networking opportunities, and brand visibility, with several already expressing interest in future collaborations.
- Attendees enjoyed quality Pre and Post networking sessions — helping create a welcoming and comfortable networking environment that blends the whole data center ecosystem.

5) Teamwork & Leadership in Action
The event was made possible by a dedicated crew and volunteer teams from Malaysia, Singapore and Vietnam stepping in to support where needed, ensuring everything ran smoothly behind the scenes.

Bicsi SOUTHEAST ASIA

Suggestion for Future Event Improvement

1) Agenda

The agenda was insightful, but it may be worth reducing the number of speakers, as the sessions became tiring, especially in the late afternoon.

2) Interactive Elements

Add short Q&As and give aways from speakers to re-energize the room.
